ACTION STATIONS

Canadians want a public health and social security program, and while individuals turn hopefully to one party or another, the public as a whole, we may say, doesn't care which party does the job. At the moment, we would say, there is a tendency to hope that one or both of the older parties will do the job, but there can be little doubt but that if they don't do the job the public will turn to the new party, which must be given credit for setting the pace and forcing the older parties to promise changes.

The public (that composite mind which we are undertaking for the moment to read) is likely to become disgusted if through various governments "passing the buck" insufficient progress is made during the present demand for forward marching. Town councils mark time while they wait for the province to pay the cost. County councils pass resolutions and carry on interminable studies of what other governments, dominion and provincial, are doing. And now the provincial government, with a fresh mandate from the people, may, it is said, hold back for another year its social security program until it can get the dominion government to modify its program in accordance with the Ontario government's ideas.

We will not attempt to place the blame for

these delays, although we express in passing the thought that county councils are play parliaments retarding progress and duplicating provincial and municipal government. We will also suggest that if the Drew government allows the 1944 legislative session to go by without substantial fulfilment of its social security program, the Bracken federal party will be seriously handicapped should there be a federal election this year or early next year.

Dr. Vivian, Ontario minister of health, may be right in his criticism of the proposed federal health insurance measure, and Premier Drew may be right in his contention that the dominion should secure provincial approval for its whole social security program, but the public will not go into such lesser questions. The Ontario public looks with confidence and expectation to the Drew government for the new order promised during the provincial election without any such qualification as "provided that we have a Progressive-Conservative government at Ottawa or provided that Mr. King does what we ask him to do."

WHAT CAN WE DO AS OUR PART?

Many letters come from overseas thanking the citizens of Newmarket and North York for the gifts which they send to the soldiers and airmen.

The thanks should really be going from Canada to the soldiers, and we suppose that the parcels are our way of expressing appreciation of what the soldiers, sailors and airmen are doing for us.

It is only when news comes to us, as it has come again this week, that one of our own boys has given his life that we realize that they are not just off on an adventure. Members of Newmarket high school board at a meeting this week stood in silent tribute to Jack Revili, a former student at the school. We should all pause and ask ourselves what we can do that will be to some small extent comparable with what our boys overseas are doing. They are risking and giving their lives for a cause which we must make and keep a just cause.

TO THE EDITOR

Editor, The Era and Express: I have now read two letters from Dr. Boyd giving his opinions and criticisms of the C.C.F. While I do not agree with Dr. Boyd, I think he deserves credit for stating his opinions, publicly, on questions of the day.

In a democracy we believe the state was made for man and not for the state. The democratic aim is to give the fullest life to the many. This aim requires free expression of ideas and full competition between ideas.

Mr. Justice Cannon in the press regulations case of 1938 had this to say: "Freedom of discussion is essential to enlightened public opinion in a democratic state; it cannot be curtailed without affecting the rights of the people to be informed through sources independent of the government concerning makers of public interest."

Now I hope to exercise my democratic right to criticize Dr. Boyd's statements concerning "makers of public interest." The first on the list, the late Prime Minister, Aberhart of Alberta, was never at any time head of nor member of the C.C.F. He was like Dr. Boyd, a strong believer in the capitalist system and as strongly opposed to socialism as is Dr. Boyd. I do not know whether or not he was, as Dr. Boyd says, a poor man when he took office and a rich man when he died. I do know he was a teacher before he took office; we may therefore assume he was poor in worldly goods.

The next "maker of public interest" to be examined is the founder of the C.C.F. Rev. James S. Woodsworth was a fifth generation Ontario-born Canadian. He was a brilliant scholar and after attending Wesley and Victoria colleges took a year's post-graduate course at Oxford University. Returning to Canada, he followed in the footsteps of his father and entered the Methodist ministry. This was the man who inspired the formation and helped direct the new movement known as the C.C.F.

"Leaders of the C.C.F. have nothing to lose and are out to line their own pockets," says Dr. Boyd. In the light of that statement let us examine Woodsworth's record.

CHRISTADELPHIANS

Many professing Christians do not realize that the promises of eternal inheritance of the earth were first made to Jews, Abraham, Isaac, Jacob and their descendants. These promises have never been altered nor revoked. When the Jews proved themselves unworthy and rejected Jesus, the prospective king of the kingdom, the promises were extended to Gentiles, who would have faith and be obedient to divine requirements. Gen. 12: 1-3, Gen. 28: 3, 4, Acts 13: 46, Acts 28: 23.

CHURCH WEDDING
IS PRETTY EVENT

A pretty wedding was solemnized at St. John's Roman Catholic church, Newmarket, on Saturday, Feb. 5, when Mrs. Gladys Irene Tibbett, Newmarket, daughter of Mr. and Mrs. J. E. Snider, Newmarket, became the bride of Daniel Alphonse Noonan, Perth, son of John Noonan, Perth, and the late Mary Noonan, Rev. Dr. W. D. Muckle officiated. Spring flowers decorated the altar.

Given in marriage by Carl Potter, the bride was gowned in a navy blue crepe dress with white metallic bodice and matching accessories. She also wore a gold pendant with a birthstone, the gift of the groom. Her corsage was Talisman roses.

Mrs. Norman Forhan, Newmarket, was bridesmaid, and wore a grey crepe dress with a corsage of pink roses. She wore a gold cross and chain, the gift of the groom.

Marcellus O'Hara, Toronto, was groomsman. His gift from the groom was a billfold.

During the signing of the register, Miss Frances Brankin, niece of the groom, sang, "On This Day," "Magnificat" and "Communion Hymn." Her gift from the groom was a gold locket.

Following the ceremony the couple left for points east. They will reside in Newmarket.

About 35 friends were present for the ceremony.

Among the guests from out-of-town were Mrs. Ann Brankin, sister of the groom, Perth, Mrs. H. Rigg, Toronto, Mr. Ed. Garb, Toronto, Mrs. L. Mulholland, Toronto, Miss Margaret DeWitt, Toronto, Miss D. Carley, Toronto, and Mrs. J. Nash, Richmond Hill.

CATALOGUES ARE HERE,
SPRING SOON WILL BE

(By Rudy Renzus, Newmarket Horticultural Society)

It may be the weather, it may be the newly arrived seed catalogues. Whatever it is, it turns your mind to gardening.

We had a splendidly attended annual meeting last week. Mr. John S. Clark, the well-known speaker on horticultural subjects, gave a very fine illustrated lecture on "Home Beautification."

By upsetting both Brampton and Newmarket Commandos, in less than a week T. & S. red-and-black-sweatered crew demonstrated they are a power to be reckoned with when championship honors are being passed around.

Fast, clean, wide-open hockey was played, with the Bordenites shading Newmarket a mite on scoring punch.

Brooks, guarding the twine for the Borden band, stole the spotlight focus as he turned aside many labelled shots fired by the Redmen.

No. 3 C.A.C.T.R., Camp Borden, is the opposition for the men of No. 23. Led by Mgr. Ab. Hulse, No. 3 is fighting for a play-off berth.

CANADIAN BOYS MAKE
MEN CARRY BUNDLES

"I wish to express my deep appreciation to you for sending cigarettes," writes Spr. Wallace S. Morton to the Newmarket Veterans' Soldiers' Comforts fund.

"If I had stayed in one place I would have received them sooner but I kept moving around, which is the reason why they were so long coming and why my acknowledgement is so long coming."

"I'm in Italy at present and find many points of interest. The cities and towns are built mostly on hill-tops and if you examine closely enough you can usually find remnants of old Roman fortifications."

"The Italian people have many mules and two-wheeled carts, which seem to be on the go day and night. The women of the farms seem to do most of the heavy work and the men do the supervising, which certainly doesn't speak very well for them. On one occasion some Italians wanted to cross a bridge we had built and the only way we'd let them across was for the men to carry the loads. The women just laughed and thought it a big joke but nevertheless the men carried them. I suppose we had no legal right to do it but they didn't seem put out at all and we had a bit of fun out of it."

"We get lots of nuts, oranges, figs and apples. Christmas day we worked but had roast pork, apple sauce, steamed pudding, nuts, apples and oranges for dinner. I think we fared fairly well."

"Received another carton of cigarettes on New Year's day and need I say thanks," writes Sgmn. Fred J. Lusted. "Never have they been more appreciated."

"This is the time to send seeds to your friends in Britain. They would like some cabbage, cauliflower, lettuce, carrots, tomatoes, beets, spinach and broccoli seeds. All these are very expensive in England, not to mention the good quality of Canadian seeds from well-known seed houses."

SO YOU ARE GOING TO
SELL OUT?

Every farm or household sale should be well advertised. Some people go to a sale because they know where and when it is to be held, and they think that they will have a pleasant time "visiting" or that there may be something offered in which they will be interested. They may come to visit and remain to buy.

Other people go to a sale because they have seen in the sale list some particular article or animal that they want. They have a chance to think about it before the sale and to think about spending some money for it. They are the people who really want things, and they make the sale interesting. They either get them or force someone else to pay a good price.

Publishing your sale list in your district newspaper is the best way to get these go-getting bidders at your sale. An expenditure of from \$3 to \$8 (40 cents a column inch), according to the length of the sale list, will be returned to you many times over.

"You are sure doing good work for the boys over here."

"I haven't met many of the boys since I came over, but Bud Lauria is stationed fairly close to me and I see him every once in a while."

"Actor (to manager): "Poor house, tonight!"

"Manager: "You're wrong. It's the poorhouse tomorrow."

"The Era and Express may be purchased in Aurora at Hess, Morning and Willis drugstores and at Whitelaw's book-store."

"ever, I still prefer good old Canada and would be quite willing to return at any time. I guess that will have to wait for a while though as there is still quite a bit of work to be done here yet."

SERVING AURORA AND DISTRICT

Two 4-3 Scores And Two
Hot Arguments Mark Play

Identical scores again marked the second night of Aurora town league hockey last Thursday. Zephyr Blues took a 4-3 decision over Ordnance Depot in the opener by virtue of some favorable timing, and in the nightcap Vandorf made it an all-round evening by shading Aurora Builders.

Previous to the first game Zephyr appeared on the scene with Eugene "Joint" McComb in tow for the fixture. McComb, ace forward of the Brampton Bullets, resides in Zephyr and, according to Manager Max Urquhart, was eligible to play for his team. A hastily summoned executive meeting ruled that inasmuch as Zephyr had not listed McComb as one of its personnel before the season, he was ineligible to play. Zephyr threatened to withdraw its team but eventually thought better of it and took the ice without McComb.

After both teams had missed countless chances, Morley Smalley batted one past Herb Yake in the first period. Four minutes after the second period got under way Ches Lunney made it 2-0, only to have Al Dunstall, Depot, score a minute later. After Harry Chambers had set up the opportunity, Cook tied the game at 11:50. In the final period, Ivan Clark gave the northerners the lead and "Red" Canning got the equalizer.

Both teams now threw caution to the winds and went at it hammer and tongs. Timer "Mouse" McLean, like the players and spectators, was carried away with the excitement and 15 seconds after the regulation time should have expired Ivan Clark slipped one past Yake for the winner on a solo effort. Immediately Depot supporters set up a protest but Referee Stewart Patrick, relying on C.A.H.A. rules, awarded the game to Zephyr. The incident had the fans arguing far

into the night.

R.C.O.C. goal, Yake; defence, Lockhart and Walsh; forwards, E. Miggio, Chambers, Goodhead; subs, Trent, Farley, Cook, Canning, Martin, Sonoski, Conboy, Trepanian.

Zephyr: goal, Heaton; defence, S. Lunney, Cain; forwards, C. Lunney, Clark, Pickering, Rynard, Smalley, Johnson, M. Meyers, D. Meyers, Dixon.

Vandorf Wins 4-3

By virtue of Herb Simpson's last minute goal Vandorf took a hard fought battle from Aurora town in the second fixture.

"Mickey" Sutton and "Whitey" Jones teamed up for the town's first counter and Art. White did the second trick. "Barney" Hood, with the odd-man advantage, sandwiched a Vandorf counter between the two.

Vandorf had about the same margin on the play in the middle frame. Herb Simpson tied it up, then Art. White again put Aurora ahead, and, with two minutes to go, "Duke" Dennis uncorked one of his super efforts and knotted the count.

The third period saw a mad melee when the Vandorf forwards rushed goalie "Ginger" Pugh on several occasions and the Aurora boys evened matters with some neat commando tactics. Simpson broke away to put the game in the bag.

Herb Simpson, goalie "Chub" Patten and Jake Baker were best for the winners. Patrick and McComb looked after the refereeing and missed little.

DOWN THE CENTRE

No. 3 Grizzlies visit Newmarket tonight and the fans should see a good game. Both teams need this one badly, especially the Bordenites. The boys from No. 3 have played good hockey all year but have lacked the "name" players so necessary to success in the present hockey set-up. They held Brampton to a 4-2 score and the good No. 2 team to a 3-0 verdict while last time out Newmarket got the verdict only by a last-period rally.

George Brooks, diminutive goalie from Windsor, with the possible exception of Westbrooke of No. 2, is the ace netminder of the league.

Chad Bark, former U.T.S. star and Balmoral Beach footballer, providing plenty of punch, Alex Brown, another U.T.S. boy, and Ken Wilson, former Trail Smokie, a forward who has been converted into a defence star, handle the blue-line traffic.

"Mickey" McGuire no relation to the Tech brothers, who spell their name McGuire, is one of the trickiest forwards in the loop, although not fast. He hails from Lachine. Lieut. Ned Toole, Winnipeg, Lieut. Paul Quarriington, Toronto, "Bunny" Rose, Trail, Harry Moreau, Penetanguishene Juniors, Ken Milroy, Young Rangers, "Lefty" Rassenti, Whinipeg, Lieut. Johnny Guenette, North Bay Trappers, Leskwi and Holdsworth, former Orillia players, make up the forward line.

Bob Stewart, who played nice hockey in the nets for the Redmen against No. 1 last week, is the spare goalie. Stewart was on loan for the occasion. Last year he played for Niagara Falls Juniors and in practice each day acted as spare netminder for Eddie Shore's Buffalo Elsons.

It happened! The pitcher went to the well once too often! Brampton camp was finally defeated and it was the fourth place Tech, and Schools team, now running neck and neck with Newmarket, who did the trick. The score was 11-7 and except for the second period the issue was never in doubt. Tech had more penalties than Brampton too. Absence of their ace, "Joint" McComb, was noticeable in the play of the Bullets, but it was the eagle-eye sniping and all-round spark provided by Glen Brydson, former Montreal Maroon star, which decided the issue. Brydson snared four nice goals and two assists.

Boyer, former St. Kit's junior, looked good on the Brampton defence. We understand that one or two of the Brampton team have been, or are about to be, transferred from that centre and are due to arrive at No. 2 C.A.C.T.R., which already has a star-studded team.

Al Shill, who is with the dental corps and was only attached at Brampton, has already been moved to another centre.

"Bing" Caswell, Brampton coach, has received a well-merited promotion and is now Capt. Caswell, and the evergreen Ernie Curran, mainstay of the Orillia team, has been promoted from corporal to sergeant.

Coincidence of the week was an item, from the pen of the Brampton camp scrivener, which appeared in print the afternoon of the same day the Bullets took their first loss. He wrote with great power of prognostication: "Napoleon met his Waterloo. Our boys may yet get beaten before the season is over."

Tommy Birchard, who a few years ago was playing a fine game at second base for Aurora softballers in the York-Simcoe loop, is now stationed in the Far East as a radio technician with the R.C.A.F. Tommy hails from Barrie and had played his best softball prior to coming to Aurora.

Roy Collings, better known to hockey fans as "Mutt," is playing hockey this winter for Collingwood Shipbuilders in the northern all-civilian intermediate group. "Mutt" has been getting some nice goals too and Collingwood fans have a yen for him like Aurora fans had back in 1939. The Bradford boy is a steady player and is always in position to take a pass.

Ted Brodeur, who played goal for Midland Juniors against Aurora Tigers a few years ago, and is a brother of the veteran Sib Brodeur, is playing goal for the army team at Dartmouth, N.S., this winter.

On the same team are such boys as Eddie Bush, Detroit, Roy Conacher, Bruins, and one of the famous Baprade brothers, Sgt. "Dutch" Cain, former Newmarket boy and once a forward of the Aurora intermediates in the old metropolitan loop, is now stationed at Mountain View, Ont., where he is coaching the station R.C.A.F. intermediate entry. "Dutch," who played for both Montreal Maroons and St. Pats of Toronto, is also on the O.H.A. refereeing staff. On the Mountain View team is our old friend, Sgt. Frank Michanuk, former Aurora junior star and Aurora softballer. "Mitch's" younger brother, Eddie Michanuk, is with Markham Juniors this season. The Mountaineers have a good team in tow, with Pat McCreahey of Boston, Boudreau of Quebec Aces and Aube of Montreal Royals on hand.

Walter Kilmuk, who took the nets late in the season to strengthen Whitchurch Juniors, is the same lad who filled the nets for Oakville Juniors a couple of years ago against Aurora Juniors. He has been playing mercantile hockey and junior B with Oshawa, his home town, ever since then. Incidentally, he should get the nod. Wally has

Sharon

Sleightholme, who started the season in the Whitchurch nets, is only 15 and is almost as good as Kilmuk.

Lionel Conacher, one of Canada's greatest all-round athletes and on many occasions given all-star N.H.L. recognition, is one of those responsible for the improved playing of Whitchurch Juniors toward the end of the season. The big train was persuaded by those in charge to visit a couple of the Whitchurch practices and give the kids the benefit of his advice. As an honorary coach, Mr. Conacher may well be pleased with the results obtained.

Lieut. Larry O'Connor, former track star and coach at No. 23 B.T.C., is managing a Canadian basketball team made up of infantry reinforcements in England and the team has been very successful to date, their biggest win being over a strong American team.

Herb Simpson, of Whitchurch township, one of the stand-out players in the Aurora town league, deserves a big hand for his fine playing. Simpson, who is over the 40 mark and never had a real chance to display his wares in organized hockey, is a favorite with the fans and is as good as any in the league, which is not composed of weaklings by any means. Herb has been a candidate for councillor in Whitchurch township, just failing to make the grade.

He gets in plenty of hockey too, for, besides playing for Vandorf, he is a member of Brougham Bearcats, who are playing in intermediate hockey in the south Ontario O.H.A. group. He is regarded as one of the best players in that circuit too and the Bearcats stand a fair chance to make the grade. "Chub" Spencier, who formerly played in the local junior group for Stouffville Juniors, and Bob Redshaw, whom fans of seven or eight years ago will remember as one of Stouffville's best, are also with Brougham. "Barney" Hood and Jake Baker of Vandorf play for Bearcats too. Ace player of the team, however, is none other than the old Sultan of junior swat and swish, Ike Harper, who toiled on the defence for Markham Juniors for four years and always gave a good account of himself.

Bobby Forster, who played goal for Markham Juniors back in the days when Newmarket Redmen were seeking honors and then went to play for Oshawa Generals, is performing for another of the teams in the south Ontario league and doing nicely too.

Normie Woon, the Coldwater boy who was a strength to Newmarket Juniors in the early thirties, got in another hockey season this winter as a member of the South Porcupine senior N.O.H.A. team.

The Porkies, however, were eliminated from their group and will not see further action. Woon has been playing steadily now for about 14 years. He was a member of Aurora Intermediates before proceeding northward. It was Charlie ("Kid") Harman who discovered Woon's ability and sought to bring him to Aurora, only to have the Newmarket officials raise the ante and obtain Woon before he got to Aurora.

"Sparky" Vail is awaiting the northern finals as a member of the Timmins team directed by Bob Crosby. Bob, back in 1924, was the outstanding first baseman in the York-Simcoe hardball loop as a member of that good Uxbridge team which eliminated both Aurora and Sutton.

At Sudbury "Pop" Kelley is flying again for the Sudbury Tigers, who will meet the far north winners in the N.O.H.A. finals. Against navy seniors a few weeks ago Regis was about as good as any on the ice and displayed much of the skill he had when flying for the Redmen in '33.

Billy Mundell, who at 15 years of age appears to be headed for a great hockey future, was the top scorer for Richmond Hill Juniors during the regular O.H.A. scoring season. Bill got 11 points in all, six goals and five assists making up his total, two points ahead of Charlie Rowntree's "Sonny" former Newmarket juvenile. Johnny Sullivan, another up and coming youngster, was in third place with eight points, six of them goals.

"Mickey" Sutton got six goals too but was not officially credited with any marks for assists, which of course may be the fault of the scorers. Surprise of all the Hill scoring records is to see Whitley Jones at the bottom of the heap with only three points, all assists. He was out for several games with injuries.

Jimmy Grainger, the team's publicity expert and No. 1 supporter, did the final tabulation for the Hill. Mundell wins a \$5 prize, for top scorer among the Hill kids, given by ex-Teeter Johnny Green. Not to be outdone, the present Richmond Hill reeve, Billy Neal, former Auroran, has given five bucks for the leading scorer in the Richmond Hill mercantile league.

Junior scoring records, taken from O.H.A. records and from scorers for most of the teams, find two boys tied for group honors.

Harold Gleason, ace winger of Markham Juniors, has amassed a nice 18-point total, made up of 11 goals and seven assists, while Wally Samanski, the Whitchurch crack sniper, also has the same total.

Samanski, by way of goals, leads the league, which after all is what pays off, and so perhaps he should get the nod. Wally has

LADIES WANT ICE

A gift of \$25 has been made by King Women's Institute to the community to be used for hose equipment for the outdoor ice rink for the children. The rink has been in operation for the past six weeks, under the direction of B. J. Langdon.

The following shipment was made by the East Gwillimbury branch of the Canadian Red Cross to headquarters last week:

16 sheets, 48 pillow-cases, three bed jackets, 18 khaki handkerchiefs, 21 quilts, 15 dressing gowns, six girls' pinocchio dresses, six girls' blouses, two boys' units, each consisting of one pair pants, one coat, two blouses, one cap, two pairs mitts; one pantie dress, seven navy turtleneck sweaters, two pairs short seaman's socks, 15 pairs service socks, ten pairs khaki gloves.

clucked 13 times on the opposing netminders and has five assists too. It was his scoring spree against Newmarket which brought up his total.

Bill Armstrong, of Navy, who has played at least two games less than either Gibson or Samanski, is in third place, but a scant point back of the leaders. Armstrong tallied 12 goals and got five assists in his shorter playing season. There is little doubt but that if Armstrong had been in every game he would have walked off with the scoring honors.

Harold, energetic Whitchurch winger, is in the fourth spot with 16 points, evenly divided between goals and assists. Back of him with 15 points comes Clare Walsh, ex-Marlboro forward who performs for the silent service. He too failed to play in every game.

Jack Routcliffe of Markham is tied with Walsh for this spot. Bob Bowcott, Markham forward, heads the assist department with ten "Cowleys" to his credit.

Boris Tipoff, husky Markham defence stalwart and one of the best to appear in recent years, is the leading scorer from the ranks of the big boys along with Heffering of Whitchurch.

Most goals in a single game find Samanski in front with a six count against Newmarket, while Bill Armstrong (2) and Dilling of Whitchurch have hit the twine for five counters in single games.

Irky Ross, Richmond Hill discards, who finished the season with the junior Redmen, was their leading scorer with a seven-point total and if playing regularly might have done much better. We list below the scorers with at least nine points.

Final junior group standing:

	G	A	Total
Gibson (M)	11	7	18
Samanski (W)	13	5	18
Armstrong (N)	12	5	17
Harold (W)	8	8	16

Play-offs: Markham vs. Whitchurch.

Intermediate hockey enters its final stages with Brampton, No. 2, Newmarket and Tech. and Schools favored for the four spots.

By the schedule it would appear that Tech has a slight edge for fourth spot. By statistics at the weekend both No. 3 and No. 1 had a chance to hit pay dirt but that sunrise would leave it up to Orillia to pull off some surprise work, which appears unlikely. The real battle will be for the third and fourth spots.

By the arrangements made the fourth-place team meets the first-place, with the second and third teams meeting. These two series are on a goals-to-count basis, which will put a heavy premium on goal-tending, a spot that neither Newmarket or Tech. have great strength in. The final series will be a best-of-three encounter, with the first-place team getting the odd game if necessary. Injuries, drafts, rule changes, transfers and lady luck will play a great part in the ultimate decision. Newmarket fans, unlike last season when the regular schedule games meant little towards the end, are in the happy position of having the opportunity of seeing some of the really "crotch" games of the current series.

Games played last week:

Brampton 12 — Orillia 1
T & S 11 — Brampton 8
T & S 4 — No. 3 T.R. 1
Newmarket 6 — No. 1 T.R. 4
No. 2 10 — Newmarket 8
No. 3 9 — Orillia 0

Ladies Think Canada Should Admit Refugees

The Women's Institute held its regular meeting at the home of Mrs. G. W. E. Macpherson on Thursday afternoon. Thirty ladies were present. It was decided to hold a tag day for the Navy League in the near future and a gift of \$100 will be sent to the Federated National fund for war work of the W.I.

The subject of the program was Canadianization. Mrs. Bruce Rolling gave a paper on "Refugees, what they have done for Canada," and told of the different manufacturers who have come to Canada and opened up businesses. A debate on "Resolved that Canada should open her doors to refugees after the war," was taken by Miss Siemen and Mrs. H. Broderick as the affirmative and Mrs. K. Ross and Mrs. Geo. Walsh, the negative. It was all thoroughly talked out by the ladies, but the judges, Mrs. Geo. Price and Mrs. W. R. Steepe, decided the affirmative was more convincing. Vocal and instrumental music was given by Wilda Lanson and Ronald Weller.

At the annual meeting of Mount Albert public library recently, the work of the past year was reviewed, showing an income of \$153.35, which was raised by grants from the village and township, a card party, \$15, and a turkey draw, \$45.50. The library board has enrolled for membership with the Literary Guild in Canada to procure at reduced prices the current best-selling books of the month and will be pleased at any time to receive the names of books which members or friends feel would be an addition to the library.

The library is open Tuesday mornings and Saturday afternoons and evenings in the winter months, and through the summer on Thursday evenings also. There are 72 members and they would like more to join this fine organization.

Some of the new books now on the shelves are: *Indigo*, *Christine Weston*; *A Yank in the R.A.F.*, *Harlan Thomas*; *Kitty Foyle*, *Christopher Morley*; *The Pied Piper*, *Neil Shute*; *The Robe*, *Lloyd Douglas*; *Driven Women*, *Elizabeth Chevalier*; *Mother Russia*, *Let the People Sing*, *J.
